VERMONT GOLD

100% Maple Sap Vodka

(USA; Vermont Spirits Co., St. Johnsbury, VT)

Perfect, limpid, and unblemished in appearance. The initial aromatic blast takes the olfactory sense by surprise due to its gracefully presented and fresh sugar maple candy charm and sweetness; seven further minutes of air contact serve to bolster the first impressions; this is a unique and seductive vodka bouquet unlike anything I've encountered. The palate entry is toasty, maple sweet, and full-bodied; at midpalate, the toastiness found in the entry gives way to full-out lip-smacking tastes of sugar maple candy, dark honey, sap, resin, and malt. Finishes divinely sweet and sap-like.

*A new gold standard
for a non-grain vodka.
Worth every bloody cent.*

Spirit Journal Rating:

Classic. HIGHEST RECOMMENDATION.
