VERMONT SPIRITS LIMITED RELEASE

100% Maple Sap Vodka

(USA; Vermont Spirits Co., St. Johnsbury, VT)

Only 850 half-bottles produced. Made from 100% early maple sap. Crystalline appearance; perfect purity. Initial whiffs detect clearly evident traces of tree sap, bark and resin scents; aeration serves only to heighten the established aromatic traits that include bark (especially), sawn wood, sap and maple syrup. Entry is full-weighted, acceptably sweet and keenly sappy; mid-palate features the maple sap in spades as the profile goes intensely bittersweet and astringent. Ends on a sappy note.

Superb. HIGHLY RECOMMENDED.
